

Whirlow Hall Farm Birthday Party Information Sheet

Thank you for booking a birthday party with us at Whirlow Hall Farm. The funds we raise from these parties helps the charity provide a safe space for children and young adults who face a variety of different challenges, including learning difficulties and disabilities, and access the opportunity to learn in a nurturing environment that provides alternative methods of education. Our cute and cuddly animals are looking forward to welcoming you to the farm for your child's birthday and we will do our best to help you make it a brilliant day.

Please make sure you have read below the itinerary of what to expect while also knowing what we expect from our guests.

We will provide a variety of party foods such as pizza, breadsticks, crisps, veg pieces and biscuits. Squash will also be provided. We do not provide birthday cakes. If there are any dietary requirements or allergies, please let us know as soon as possible and we will provide alternatives. To pay for the catering, we will take a payment on the day of the party from our farm shop.

Numbers

There is a maximum of 15 children we can accommodate at our parties. This includes siblings of the birthday child. This is for the safety of the children and enjoyment of the party.

Cleaning requirements

The party area is cleaned by us before you arrive, but we would really appreciate it if the space was left as you found it as this would help us enormously and ensures the space is clean enough for others to enjoy it. The party is held in the classroom our students use during the week. Whilst you are welcome to decorate the space for your party, we would appreciate it if you were considerate of the classrooms and our students' space and work. Thank you!

Parents

Whirlow is a busy working farm, which means there are safety hazards. We encourage as many parents to attend the party with their child (especially if they are young) as possible and to stay with their child as much as possible throughout the party, particularly when moving around the farm and engaging with the animals, to ensure their safety and to maximise their enjoyment. We would appreciate parents helping us to ensure respectful behaviour towards our animals and the rest of the farm.

Helium tanks

If you are bringing a helium tank with you, please take it back home with you. We will not dispose of these for you.

Finally, we hope you enjoy your party with us at Whirlow Hall Farm and we can't wait to welcome you and help your child have a special birthday! If there is anything you need or any queries you have, please get in touch with us and we will do our best to accommodate you. See you soon!
